VIRTUE AUTOTURN LTD

Company Environmental Policy

Virtue Autoturn Ltd is committed to preventing pollution and to complying with all relevant environmental legislation, regulations and other environmental requirements.

We will evaluate our activities and act to minimise our environmental impact wherever possible.

It is our policy to:

- Minimise the use of energy, water and natural resources.
- Minimise waste through prevention, re-use and recycling where possible.
- Dispose of waste safely and legally.
- Avoid the use of hazardous materials, where possible and practical.
- Prevent environmental damage and minimise nuisance factors such as noise and air pollution.

We are committed to promoting environmental awareness to our employees and, where appropriate, to suppliers.

We will implement processes to prevent environmental nonconformities and to ensure that we are prepared to deal with potential environmental emergencies.

This policy will be regularly reviewed and updated to take account of organisational priorities and changes, environmental legislation and best practice.
